

Independent Auditor’s Review Report on Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Emaar India Limited (*formerly known as Emaar MGF Land Limited*)

1. We have reviewed the accompanying statement of unaudited financial results (‘the Statement’) of Emaar India Limited (*formerly known as Emaar MGF Land Limited*) (‘the Company’) for the quarter ended 30 September 2021 and the year to date results for the period 1 April 2021 to 30 September 2021, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the figures for the preceding quarter ended 30 June 2021 have been approved by the Company’s Board of Directors, but have not been subjected to audit or review.
2. The Statement, which is the responsibility of the Company’s management and approved by the Company’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (‘Ind AS 34’), prescribed under Section 133 of the Companies Act, 2013 (‘the Act’), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independent Auditor's Review Report on Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (Cont'd)

4. As described in note 5 to the accompanying Statement which describes the petition filed by Emaar Holding II, shareholder and promoter of the Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to National Company Law Tribunal to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying Statement is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying Statement. Our conclusion for the half year ended 30 September 2020 and our opinion for the year ended 31 March 2021 were also qualified in respect of this matter.
5. Based on our review conducted as above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to the following notes to the accompanying Statement:
 - a) Note 6 in relation to investment made in and advances given to one of the subsidiary company, Emaar MGF Construction Private Limited, aggregating INR 362.78 million and INR 734.93 million respectively as at 30 September 2021. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the outcome of which is presently unascertainable.
 - b) Note 7 which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and other parties alleging certain irregularities relating to a project in Hyderabad. The Company has outstanding assets and liabilities of INR 4,130.91 million and INR 2,123.54 million respectively with respect to this project. The final outcome of these litigations is presently unascertainable.

The above-mentioned face value of Rs. 1,000,000 was before demerger.
- On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shравan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to NCLT to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are currently sub-judice, any impact of the same on the financial results is not ascertainable at this stage. The auditors have expressed qualification on the same.
 - One of the subsidiaries of the Company, Emaar MGF Construction Private Limited (the "Subsidiary") is undergoing certain litigations/disputes in relation to the Commonwealth Games Village Project 2010, developed by it whereby the Company has obtained legal advice and expects favorable outcomes. The Company has investments in the equity share capital of the said Subsidiary aggregating to Rs. 362.78 million (31 March 2021 - Rs. 362.78 million) and has advances recoverable aggregating to Rs. 734.93 million (31 March 2021 - Rs. 1,431.61 million) from the Subsidiary. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Company, its former Managing Director and certain officers of the Company. Under the said matter, the Company has also received an attachment order of its certain properties from Enforcement Directorate. The Company has assets and liabilities of Rs. 4,130.91 million (31 March 2021 - Rs. 4,125.92 million) and Rs. 2,123.54 million (31 March 2021 - Rs. 2,235.43 million) respectively. The auditors have expressed an emphasis of matter on the same.

- 8) The Covid-19 pandemic has severely impacted the businesses and economic activities around the world including India. Due to lockdown announced by the Government, the Company's operations were suspended/slowed down during the lockdown period. The business operations have already resumed, following Government's directives and expected to return to normalcy in due course of time. Considering the unprecedented and ever evolving situation, the Company has made assessment of its liquidity position, including recoverability of assets at balance sheet date. On the basis of the current assessment and estimates, the Company does not see risk of recoverability of its assets and accordingly no material adjustment is required in these financial results. However, given the uncertainties associated with nature, condition and duration of Covid-19 pandemic, the impact may be different from that as estimated as at the date of approval of these financial results and the management will continue to closely monitor the changes to future economic conditions. The auditors have expressed an emphasis of matter on the same.

As per the present business plans, the Company will be able to meet its financial obligations in the next one year. As at 30 September 2021, while the Company's net worth is negative (primarily due to Demerger happened in the financial year 2018-19), the management has considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these financial results have been prepared on a going concern basis.
- 10) The National Company Law Tribunal ('NCLT') vide its order dated 16 July 2018 had approved the scheme of arrangement ('Demerger') between the Company and MGF Developments Limited ('MGF') and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ('Mediator'), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce ('ICC'), London, as referred in Note 11 below. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.
- 11) The Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land-owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, the Company has enforced some of such indemnity claims as per details given below:

Date	Nature	Value of assets enforced (Rs. Million)
17 September 2019	By way of termination of development rights over certain land parcels	2,250.04

11 November 2020	By way of termination of development rights over certain land parcels	720.08

During the previous year, MGF has disputed indemnity claims/enforcement and filed the Request for Arbitration ('RFA') on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, also requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal has been constituted with the Company and MGF each nominating their arbitrators and both these arbitrators have appointed a third arbitrator who is acting as president for such arbitration proceedings seated in London.

On 21 April 2020, MGF also filed an Application for Temporary Restraining Order & Interim Measures ('TRO') before the Arbitral Tribunal against the Company's unilateral settlement of indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal dismissed MGF's TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so, in case of breach of said indemnity agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims, but also confirmed that there should be no restraint on alienation of the development rights in those assets.

Thereafter, under the ongoing arbitration proceedings, in September 2020 MGF had filed its statement of claims before the Arbitral Tribunal and the Company has also filed its statement of defence and counterclaims in January 2021. The matters are currently sub-judice before the Arbitral Tribunal.

- 12) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed off bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28th December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance and thereafter the notification of Insolvency and Bankruptcy Code (Amendment) Act, 2020, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Hon'ble Supreme Court had, in the matter titled 'Manish Kumar V. Union of India & Anr.' and other tagged matters vide its judgment dated 19th January 2021, upheld the constitutional validity of Insolvency and Bankruptcy Code (Amendment) Act, 2020. As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code, however, now the homebuyers must meet the minimum thresholds. Based on the judgment of the Hon'ble Supreme Court, all the matters pending at NCLT, which does not meet requirements of the Code have been adjourned sine die. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Company matters pending before NCLT. Further, in the month of May 2021, 62 allottees of project "Imperial Garden" (580 residential units + 103 EWS units) had approached NCLT. The petition has been filed post offer of possession. Out of 62 allottees, some allottees have already received possession and executed conveyance deeds. Moreover, lately the view of the NCLT/NCLAT is CIRP should be Project based and be confined to the subject Project only, which in present case is a completed project. We have already filed a maintainability application before NCLT to challenge the very maintainability of this application, which is pending to be heard, although based on the recent developments and legal advice received, no material liability should devolve in respect of matters pending before NCLT.

Subsequently, the Enforcement Directorate has filed an application before the Adjudicating Authority, Prevention of Money Laundering, Delhi for retention of the seized documents, which has been allowed. The show cause notice issued to the Company has also been replied. As these proceedings are directed against MGF Group and the former managing director of the Company, the Company does not consider this matter to be material.
