1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Emaar India Limited (formerly known as Emaar MGF Land Limited) ('the Company') for the quarter ended 30 June 2022, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. ## Independent Auditor's Review Report on Unaudited Quarterly Financial Results of the Company pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (cont'd)

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. As described in Note 4 to the accompanying Statement which describes the petition filed by Emaar Holding II, shareholder and promoter of the Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to National Company Law Tribunal to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying Statement is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying Statement. Our conclusion for the quarter ended 30 June 2021 and our opinion for the year ended 31 March 2022, were also qualified in respect of this matter.
5. Based on our review conducted as above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to the following notes in the accompanying Statement:
  - i. Note 5 in relation to investment made in and advances given to one of the subsidiary company, Emaar MGF Construction Private Limited, aggregating Rs. 362.78 million and Rs. 790.81 million respectively as at 30 June 2022. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the final outcome of which is presently unascertainable.

The Company has outstanding assets and liabilities of Rs. 4,288.47 million and Rs. 1,395.46 million respectively with respect to this project as at 30 June 2022. **Notes:**

- Due dates disclosed above are after considering extensions granted by the debenture holders.
  - The NCDs are secured by way of charge on the following:
    - Non-agricultural freehold land admeasuring 397.28 square meters forming part of the land parcel located at Mauje Maharajpura of Kadi Taluka, Ahmedabad, Gujarat; and
    - All the collection accounts, distribution accounts, receivables and any amount to be deposited in these accounts with respect to the 'Project Emerald Hills Extension', a township project on 95.25 acres in Sector 62 and 66, Gurgaon, and 'Project Marbella' on 109.069 acres in Sector 65 and 66, Gurgaon being developed by the Company, including first and exclusive mortgage by way of deposit of title deeds of such land parcels owned by the land-owning subsidiary companies.
  - The Company is maintaining security cover of more than one hundred percent in respect of these NCDs.
  - The above-mentioned face value of Rs. 1,000,000 was before demerger. Pursuant to the scheme of arrangement (demerger) between the Company, MGF Developments Limited (MGF) and their respective shareholders and creditors which has been approved by the National Company Law Tribunal (NCLT) vide its order dated 16 July 2018, 30.79% of the face value of Rs. 1,000,000 of each debenture (i.e., Rs 307,876 per debenture) has been demerged and transferred to MGF Developments Limited ("MGF NCDs"). Accordingly, the face value of debentures with Emaar India Limited was reduced to Rs. 692,124 per debenture ("Emaar NCDs").
  - On 10 May 2022, the Company has repaid the outstanding principal, interest and redemption premium on Emaar NCDs and liabilities towards such face value of NCDs stands repaid. Therefore, these NCD's are still to be delisted from the Bombay Stock Exchange (BSE) and accordingly, the Company has complied with Regulation 52 of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015, to the extent applicable.
  - CARE Ratings Limited vide its letter dated 19 May 2022 has informed that since Emaar India Limited has repaid the Emaar NCDs and balance MGF NCDs were already transferred to MGF Developments Limited pursuant to the demerger scheme approved by NCLT, the rating for aforesaid debentures stands withdrawn, with immediate effect.
- 4) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ("NCLT"), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. - 5) One of the subsidiaries of the Company, Emaar MGF Construction Private Limited (the "Subsidiary") is undergoing certain litigations/disputes in relation to the Commonwealth Games Village Project 2010, developed by it whereby the Company has obtained legal advice and expects favorable outcomes. The Company has investments in the equity share capital of the said Subsidiary aggregating to Rs. 362.78 million (31 March 2022 - Rs. 362.78 million) and has advances recoverable aggregating to Rs. 790.81 million (31 March 2022 - Rs. 788.50 million) from the Subsidiary. The Company has also given commitment to the Subsidiary for support in case of unfavorable outcome in respect of any of the litigations/disputes. The auditors have expressed an emphasis of matter on the same.
- 6) (a) The Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. The Company is carrying assets and liabilities of Rs. 4,288.47 million and Rs. 1,395.46 million respectively in its books of accounts. The matters mentioned herein filed by APIIC are now being defended by Telangana State Industrial Infrastructure Corporation ('TSIIC') and are pending with judicial authorities at various levels. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position.
- (b) During previous year, TSIIC had filed a petition before National Company Law Tribunal, Hyderabad Bench (NCLT) against EHTPL and others under Section 241 and 242 of the Companies Act 2013. The Company has also been made respondent in the proceedings. In response, EHTPL had filed a maintainability application before NCLT stating that TSIIC has no locus standi to file the petition against EHTPL as it is not a shareholder and APIIC continues to be named as shareholder in the register of members of EHTPL. However, recently vide order dated 25 July 2022, the maintainability issue has been decided by NCLT in favour of TSIIC and further NCLT has restrained parties from dealing with the assets and properties of EHTPL. Based on the legal advice received and internal assessments, the management believes that the above order is contrary to the factual position and appropriate appeal shall be preferred against the said interim order dated 25 July 2022 of NCLT.

The auditors have expressed an emphasis of matter on the said matter.

- 7) The Covid-19 pandemic has severely impacted the businesses and economic activities around the world including India. The business operations of the Company have returned to normalcy and the Company has made an impact assessment of the possible effects on the carrying amounts assets and liabilities based on various internal and external factors upto the date of approval of financial results. Basis the above, the management has estimated that it sees no major change in medium to long term financial performance of the Company as estimated prior to pandemic impact and hence, the Company believes that no adjustment is considered necessary in these financial results in this regard.
- 8) As at 30 June 2022, the Company has long-term borrowings of Rs. 4,841.67 million which are due for repayment in the next one year. Given the operating performance of the Company in the current period and basis the business plans, the Company will be able to meet its financial obligations in the next one year. The management has also considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these financial results have been prepared on a going concern basis.
- 9) The National Company Law Tribunal ('NCLT') vide its order dated 16 July 2018 had approved the scheme of arrangement ('Demerger') between the Company and MGF Developments Limited ('MGF') and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ('Mediator'), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce ('ICC'), London, as referred in Note 10 below. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.

- 10) The Company, its ultimate holding company ('Emaar Properties PJSC'), MGF Developments Limited ('MGF') and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land-owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, the Company has enforced some of such indemnity claims.

During the previous years, MGF had disputed indemnity claims/enforcement and filed the Request for Arbitration ('RFA') on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, also requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal was constituted and on 21 April 2020, MGF also filed an Application for Temporary Restraining Order & Interim Measures ('TRO') before the Arbitral Tribunal against the Company's unilateral settlement of various indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal dismissed MGFs TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so, in case of breach of said indemnity agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims, but also confirmed that there should be no restraint on alienation of the development rights in those assets. Thereafter, under the arbitration proceedings the claims and counter claims have been partially heard and the matters are currently sub-judice before the Arbitral Tribunal.

- 11) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed off bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance and thereafter the notification of Insolvency and Bankruptcy Code (Amendment) Act, 2020, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Hon'ble Supreme Court had, in the matter titled 'Manish Kumar V. Union of India & Anr.' and other tagged matters vide its judgment dated 19 January 2021, upheld the constitutional validity of Insolvency and Bankruptcy Code (Amendment) Act, 2020. As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code, however, now the homebuyers must meet the minimum thresholds. Based on the judgment of the Hon'ble Supreme Court, all the matters pending at NCLT, which does not meet requirements of the Code have been adjourned sine die. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Company matters pending before NCLT. Further, in the month of May 2021, 62 allottees of project "Imperial Garden" (580 residential units + 103 EWS units) had approached NCLT. The petition has been filed post offer of possession. Out of 62 allottees, some allottees have already received possession and executed conveyance deeds. Moreover, lately the view of the NCLT/NCLAT is CIRP should be Project based and be confined to the subject Project only, which in present case is a completed project. We have already filed a maintainability application before NCLT to challenge the very maintainability of this application, which is pending to be heard, although based on the recent developments and legal advice received, no material liability should devolve in respect of matters pending before NCLT.
- 12) National Anti-Profiteering Authority ('NAA') passed orders alleging that the Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Company has already passed benefit of Rs. 75.11 million and Rs 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however this fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Company. Subsequently, the Company has filed writ petition against this said order before the Hon'ble High Court and is hopeful of a favorable outcome based on the legal advice.
- 13) On 15 April 2022, MGF Developments Limited, Mr. Shravan Gupta and Ms. Shilpa Gupta have filed a petition under Sections 59, 241, 242 along with Section 213 read with 210 and other applicable provisions of Companies Act, 2013, before NCLT, New Delhi, seeking relief against the Company and certain other parties, alleging oppression and mismanagement by Emaar Properties PJSC, its associates and group companies. Based on the legal advice received and internal assessments, the management believes that the allegations/matters raised in the petition are untenable and contrary to the agreements. Accordingly, in management's assessment, no adjustment is required to be made in these financial results.
- 14) The financial results of the Company for the corresponding quarter ended 30 June 2021 included in these unaudited financial results have not been subject to an audit or a review by the statutory auditors. However, the management has exercised necessary due diligence to ensure that the unaudited financial results for the quarter ended 30 June 2021, provide a fair view of the Company's affairs.
